Scheduling and Allocation of Buses

Discussion on the need and methods for scheduling and allocating buses from depots.

Topic: Key Points on Scheduling and Allocation

Why do we need to schedule duty?

How should we allocate buses from depot?

- **Factors to Consider:**

Weather condition, Equal opportunity, Seniority

- **Steps to Follow:**

Identify the number of depots, how many routes, and how many schedules we have.

Rules to be followed for scheduling the duty.

Prioritize things.

Create & prioritize questions.
