Scheduling and Allocation of Buses

The document discusses the need for scheduling and allocation of buses from depots, considering various factors.

Topic: Key Points on Scheduling and Allocation

Why do we need to schedule duties?

How should we allocate buses from depots?

- Factors to consider:

Weather condition, Equal opportunity, Seniority

- Steps to follow:

Identify the number of depots, How many routes, How many schedules we have

Rules to be followed for scheduling the duty roster.

Prioritize things.

Create & prioritize questions.
